Dear Mr. Allensworth:

Thank you for your correspondence, however you are not a party to 5:11CV360OLG-JES-XR, therefore the enclosed paperwork is being returned to you.

Please know this office is prohibited from providing legal advice.

JAPAN elected its lower house by  
limited voting from multi-  
member districts from about  
1947 to about 1987.

Sincerely,

William G. Putnicki  
Clerk of Court  
Western District of Texas

For 2014 I would like a limited voting 2nd ballot backup  
for some or all the Texas State House districts with the  
primary winners being candidates in their own and 2-4  
additional districts. Some of this can still be done for  
2014.

LET THE VOTERS ENDORSE & ENABLE A LIMITED VOTING 2nd BALLOT.

I am the interested party pro se in VEASEY v PERRY 2:13 cv 193 suggesting a limited voting 2nd ballot for the Texas State House.

Trial started Sep 2 in Corpus Christi with follow up in San Antonio which seems to be freezing me out.

20+ docket entries are letters from me. This is enough to keep me and this idea from being ignored.

See HUNTER v UNDERWOOD (ON ALABAMA).

CALERA AL elects six city councilmen by limited voting.

GUIN AL seven by cumulative voting since about 1987.

PEORIA IL five by cum voting and five by wards since 1991.

JAPAN elected its lower house by limited voting from multi-member districts from about 1947 to about 1987.

Voters who like the primary winners may omit the limited voting 2nd ballot but those who don't may foment violence mayhem and chaos. The limited voting 2nd ballot may inhibit chaos.

Docs 127 thru 129 in RODRIGUEZ v HARRIS CO TX 4:11 cv 2907-VDG USCA5 13-20491 are letters from me.

For 2014 I would like a limited voting 2nd ballot backup for some or all the Texas State House districts with candidates being the winners of the district's own and 2-4 add'l districts.

A more robust effort may be made in 2016 and later.

Similar copies: US Supreme Court Justices, Chief US Circuit Court of Appeals Judges, Chief Texas US District Judges, Some US Circuit Executives.

I suggest seven districts w/ a limited voting 2nd ballot backup for the Irving ISD (Fitzwater).

I still would like to come to  
San Antonio to talk about limited  
voting for the Texas State House

# Feds: Price possibly profited from KwanzaaFest

Commissioner, aide arranged deals between event, MMS, investigators contend; nothing was illegal, attorney says

By **DIANNA HUNT**  
Staff Writer  
dhunt@dallasnews.com

Dallas County Commissioner John Wiley Price funneled more than \$120,000 from KwanzaaFest

to a company he reportedly co-owned, in what federal investigators say was a series of business deals that may have generated questionable profits for him.

The deals between KwanzaaFest

and MMS, a company also known as Male Man Sales, were made over six years at the direction of Price and Dapheny Fain, his top aide who founded MMS in 2003, according to investigators.

Such transactions would appear to contradict sworn statements submitted to the Internal Revenue Ser-

vice by KwanzaaFest. The organization told the IRS that it had not had business dealings or business relationships with any of its directors.

KwanzaaFest purchased items from MMS between 2005 and 2010, investigators said.

I now subscribe to 100+ Texas Newspapers. I believe this is not a wast of my time and money. I believe in limited voting to loosen winners ties to liars troublemakers and fellow travelers. This tie promotes violence mayham and chaos. I expect to keep up the fight.
